Get Serious About Time!

Time can be your friend, but
Time wants a serious commitment.

Get Serious - with the Unitech
MR350 MKII.

With Time and the MR350 MKII on your side, track time & attendance, grant or deny security access, track important documents - all via Ethernet, modem, RS232, RS485, or even the Internet.

The MR350 is also quite capable of reading information from a wide variety of sources, including: barcodes, magnetic stripes, Smart Cards, RFID, - even fingerprints.

This could be the start of a beautiful relationship.
